Hello Pitter Pats boys and girls!

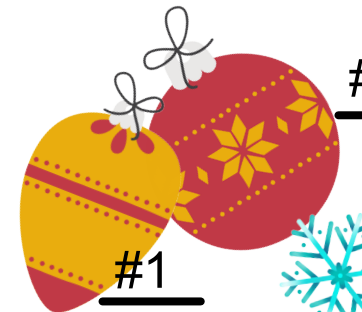

Things are a little different all over the world this year. One thing that hasn't changed is First Steps' mission to help babies and moms in North Korea. Another thing that hasn't changed is Jesus' love for children everywhere, and that is something we can all be very happy about! As we get excited for family time and Christmas gifts, let's remember that many years ago, Jesus came to earth for you, for me, and for our friends in North Korea!

"We love because He first loved us."

1 John 4:19

THE ADVENTURES OF SUPERBEAN!

Superbean is the newest addition to the First Steps team, and is here to explain all sorts of things, like why soybeans are good for you and how they are made into soymilk. Join Superbean on it's adventures in every Pitter Pats newsletter to see what it's been up to!

Superbean needs some help though. Every superhero needs a sidekick and we invite you to draw Superbean's! We would love to see your ideas, so send in your drawing by mail or email for a chance to have it featured in the next issue of Pitter Pats!

What does Superbean's sidekick look like? Draw it below and then send it here:
 Email: info@firststepscanada.org Mail: 3260 W 5th Ave., Vancouver, BC, V6K 1V3

Fun Facts:

At the moment, First Steps has 40 tonnes of Canadian soybeans in Dalian, China waiting to be shipped to North Korea. That is the same weight as 20 cars!

#4

It takes 2 months for the soybeans to get from Ontario to the port in Dalian, that's a long time!
